| 3. | In case of a fully outsourced internal audit activity, a qualified independent executive or senior management personnel is assigned the responsibility for managing the fully outsourced internal audit activity. | Compliant | The Company does not outsource internal audit activity. | |
| Re | commendation 12.4 | | | |
| 1. | Company has a separate risk management function to identify, assess and monitor key risk exposures. | Non-Compliant | | Considering the Company's size, risk profile and complexity of operations, the Company does not require a separate risk management function. The Company's Internal Audit provides an independent risk-based assurance service to the Board, Audit Committee, and Management, by focusing on reviewing the effectiveness of the governance and control processes. The Company's Internal Audit is in charge of the monitoring and the implementation of company policies by bringing a systematic, disciplined approach to evaluating and improving the effectiveness of the company's governance, risk management and control functions. |
